- What does she do when she is **scared**?

UNDER THE LENS

¿Vieron que cuando hablamos de **she** la acción lleva una “**s**” al final?

Lo mismo pasa cuando hablamos de **it** y de **he**. Este cambio lo vamos a hacer siempre que hagamos oraciones en forma afirmativa. Veamos algunos ejemplos:

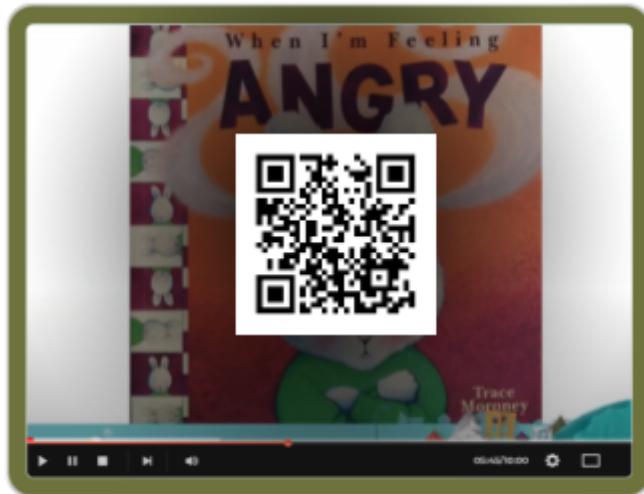

I *dance and listen to music when I feel sad.*

Pedro *dances and listens to music when he feels sad.*

The dog *jumps and runs when it is happy.*

¿Practicamos estos cambios en otros verbos?

C. Let's work with literature! Watch the video and listen to the story to answer the questions.
