IMPORTANT INFORMATION FOR THE TEACHER!

Esta guía de actividades, desarrollada para el acompañamiento de la enseñanza en el espacio curricular Lengua Extranjera: Inglés, es un material diseñado específicamente para estudiantes de Ciclo Básico de Secundaria de la modalidad Educación Especial. Las unidades proponen secuencias didáctico-pedagógicas orientadas a la adquisición y práctica de competencias lingüísticas y pragmáticas.

Teniendo en cuenta la gran diversidad de abordajes propios de la modalidad, estas guías incorporan diversas **estrategias de accesibilidad** para asegurar que todos los estudiantes puedan beneficiarse. Estas estrategias incluyen el uso de Sistemas Aumentativos y Alternativos de Comunicación (SAAC) mediante pictogramas, la adopción de **lenguaje sencillo** para facilitar la comprensión, la utilización de recursos interactivos accesibles, como actividades de arrastrar y soltar, y cuestionarios interactivos con retroalimentación inmediata así como la opción de incluir subtítulos y transcripciones en todos los contenidos audiovisuales. Es por esto que resulta indispensable abordar las guías de actividades habiendo realizado la lectura previa de las **Orientaciones docentes**.

En las **Orientaciones docentes** se explicitan las diferentes opciones para el desarrollo de cada actividad, los objetivos, los exponentes lingüísticos y las habilidades a trabajar.
